“On May 25, 2005, the Department of Community and Senior Services (CSS) was notified by the State of California Employment Development Department that the County’s Workforce Investment Act subgrant will be modified to incorporate additional National Emergency Grant (NEG) funds.

The modification will add \$373,000 to the \$725,992 in NEG Temporary Jobs program funds, previously approved by this Board on January 6, 2004 and September 21, 2004, for a total of \$1,098,992. These funds will be used to continue the clean-up and to repair damages caused by the Wildfires of 2003 and the subsequent rains which affected the cities of Claremont, Santa Clarita and La Verne and the unincorporated area of Stevenson Ranch through December 2005.

“More specifically, these funds will be utilized to create temporary jobs for NEG eligible persons for fire disaster recovery efforts. The temporary workers will continue in the restoration of identified grounds and trails, as well as assist flood, debris and erosion control in all affected cities, implement mudflow prevention measures for slopes, roads and trails at risk of further damage, and other services as needed for the cities affected by the wildfires in Los Angeles County.”
